It is an active member of DELNET (Developing Library Network) and British Council Library. It is also associated with Jagran Institute of Management & Mass Communication.

KRCHE is situated at sub-city Narela in calm, serene & academically enthralling environment. Although, Narela is thickly populated, there was no facility of higher education in this area before the establishment of this college. To meet the aspirations of the students desirous of achieving higher professional education, the Society, Kasturi Ram Research for Science & Management set up the college to groom competitive and high quality professionals through intensive training by dedicated, experienced and competent faculty in the discipline of Mass Communication, Management & Teacher Education.

KRCHE aims to be at the forefront in advancing Management, Journalism & Education by promoting excellence in teaching & research and providing the best possible professional education that develops students as managers & leaders with values, vision & versatility.

ABOUT IQAC

Kasturi Ram College of Higher Education, Narela, Delhi established the Internal Quality Assurance Cell (IQAC) in the year 2010 to improve our institutional functioning. The main aim of IQAC is to develop the methods & procedures so that the quality is created, sustained and enhanced. It also directs the members of committees to identify the areas/aspects/scope of faculty members need strengthens with suggesting ways and means to ensure the achievement of desired improvement. At the year end, the implementation of its decisions is reviewed and clarifications on deficient parts are sought which suggests how best the quality aspect relating to processes is to be assigned prime position in the overall working of the college.

ABOUT CONFERENCE

The rationale for conducting a conference on the topic "Empowering Youth with Practical Skills: Bridging the Gap between Training and Real-world Application" is driven by several important reasons. Enhancing employability, in an ever-evolving job market, equipping youth with practical life skills is essential to enhance their employability. By focusing on real-world applications of skills, this conference aims to empower young individuals with the competencies needed for a successful transition into the workforce. Another important reason is youth well-being and resilience, the insightful discussions will reflection practical life skills that encompass not only professional skills but also personal skills like resilience, mental health awareness, and financial literacy. Empowering youth in these areas helps them navigate life's challenges with confidence.

The conference will surely come up with identification of educational gaps and seeking to address the gaps by emphasizing the importance of skills that are not typically covered in formal education, such as entrepreneurship, digital literacy, and social & emotional intelligence. Youth is considered as change agents and empowered youth can play a significant role in effecting positive change in their communities and the world at large. The conference aims to inspire and mobilize youth to become proactive agents of change, capable of addressing global issues through practical skills and innovative solutions. The conference will focus on bridging the gap, and aim to promote social inclusion and equity, ensuring that all youth, regardless of their background, have the opportunity to thrive in a rapidly changing world.
